

The Jewish Federation of Greater Harrisburg
Community Relations Council (CRC)
Israeli Speakers Educational Endowment

of the Jewish Community Foundation of Central Pennsylvania

If you enjoy quality Israeli programs you want to read this!

- ♦ Donors created an opportunity to ensure quality Israeli programming and speakers are brought to our community each year.

Like you, generous donors Dr. Edward and Esther Beck and Dr. Gustav (z'l) and Rita Beck, felt we deserve the opportunity to have compelling Israeli speakers visit our community.

In 2015 the Beck family provided seed money to create **The Community Relations Council (CRC) Israeli Speakers Education Endowment** of the Jewish Community Foundation of Central Pennsylvania.

- ♦ When fully funded, this endowment will support quality, notable, expert Israeli speakers.
- ♦ Compelling speakers who present diverse views and voices of a vital Israeli society will brief us and keep us informed on challenges facing Israel in this complex world.
- ♦ Speakers will be chosen by the CRC with the consent of the Board of Directors of The Jewish Federation of Greater Harrisburg.

But the seed money is limited and we need your help.

**You can ensure that compelling Israeli's continue to visit our community
and keep us informed - now and in the future.**

Make your gift today through our Jewish Community Foundation.
