The *Susquehanna Tzedakah Society (STS)* was established as a giving society of the Jewish Community Foundation of Central PA. Members of the Society have made substantial financial commitments to Jewish community congregations and agencies including planned giving gifts, endowments and other gifts. They are sustaining the Jewish community now in central Pennsylvania, globally, and in Israel, and securing its future.

We thank and applaud them for their personal commitments to provide significant financial resources to support our Jewish community.

The Women of Vision Philanthropic Fund is one of the over 300 funds of the Jewish Community Foundation of Central PA. The

WOV started as a collective for women who wish to bring about change by making grants that respond to the social welfare needs of women and children in the Harrisburg area.

It is a tzedakah program for women within the Foundation. Membership in Women of Vision provides a hands-on opportunity to work with other women to improve the quality of life in the Harrisburg Jewish community.

We hope you will join the Women of Vision as they celebrate their 10th year of issuing grants.
