

What is the Women of Vision Tzedakah Collective?

**Just knowing you are changing
the lives of women and children
may change your life too.**

Membership in Women of Vision offers you a hands-on opportunity to join a growing group of women who are improving lives.

Through an annual grant process, WOV members are providing an outstretched hand of hope and comfort to Jewish women and children in the Harrisburg area facing difficult challenges in their lives.

As a member, you will join other women who participate in our annual grant making and awards programs, and other social events.

Through a variety of inspiring social and educational events, WOV members enjoy exciting programs on current topics of interest to them.

WOV is a Tzedakah Collective – a charitable gifting circle - for women. Membership fees, tributes and other donations to WOV are the sources of grants to individuals in need.

Why Join Women of Vision?

You will have a positive impact in the lives of Harrisburg Jewish women and children!

How Does Women of Vision (WOV) Change Lives?

As a member of Women of Vision you will accomplish two important goals:

- Collectively, WOV members make annual grants to Jewish women and children in our community to help address their individual challenges. A Grants Committee reviews anonymous applications received from key Jewish leaders in the community that describe the needs of these women and children.

As a WOV member you have the opportunity to vote on the Grants Committee's recommendations. Your membership gift, along with those of other WOV members, is the source of the grants.

Grants focus on helping women help themselves. Grants have been awarded to women returning to the workforce, youth socialization training, local seniors, special needs children, and the general support of women and their families.

- WOV sponsors social and educational events. Event presenters introduce pertinent subjects of interest to women of the Jewish community. As a member of WOV you will be part of a social, cohesive Jewish women's gifting circle.

Become a Member of WOV Today!

- A onetime gift of \$1,018 entitles you to a lifetime membership in Women of Vision.
